Vital Signs [®] is sent to you by Peak Performance Physicians, LLC to assist you in the enhancement of your medical practice.

APRIL 2015

CONTINGENCY PRACTICE MANAGEMENT PROGRAM

Peak Performance Physicians, LLC has developed a new program for selected hospital/physician networks and large private medical practices for improvement of financial and operational performance.

Our Contingency Management Program contains all of the deliverables now enjoyed by our hospital and physician practice clients. We are offering this program whereby we are fully at risk with respect to our fee, contingent upon the improved financial performance of the network or practice. Quite simply, no improvement...no fee!

For further information about our Contingency Practice Management Program,
please contact:

John W. McDaniel, MHA
President and Chief Executive Officer
