

Top 10 EHR vendors by overall market share

Written by Akanksha Jayanthi ([Twitter](#) | [Google+](#)) | February 13, 2015

Just a small handful of EHR vendors dominate the market share for physician practices. For example, one vendor holds more than 11 percent of the physician practice market share.

Here are the top 10 EHR vendors by overall market share, as [reported](#) by SK&A.

1. Epic:	11.6 percent
2. eClinicalWorks:	10.2 percent
3. Allscripts:	8.7 percent
4. Practice Fusion:	6.7 percent
5. NextGen Healthcare:	5.5 percent
6. GE Healthcare:	3.6 percent
7. Cerner:	3.5 percent
8. athenahealth:	3.3 percent
9. McKesson:	3.2 percent
10. Amazing Charts:	2.3 percent

note: This article has been updated to indicate the numbers are reflective of physician practice EHR use specifically.
